

Children's Mental Health Summit

A Nation's Youth Hurts: Magellan Responds

MAY 4, 2022

CARTER PRESIDENTIAL CENTER

Magellan
HEALTHCARE.

Why We Are Here

We know that mental health challenges for our youth have been made worse by the pandemic.

1 in 5

children has a mental illness that would benefit from treatment

1 in 8

teens suffer from depression

HALF

of mental health disorders start by age 14

Suicide

Is the 2nd leading cause of death among children & youth

13,000

Students in grades 6-12 attempted suicide at least once*

2 in 5

Children in GA have trouble accessing the mental health treatment they need

**According to the Georgia Student Health Survey, in 2021*

Children's Programs & Services

THE RIGHT CARE TODAY FOR A HEALTHIER TOMORROW

We serve children, youth, and families:

Programs serving youth with complex behavioral health needs to help them stay in their homes and out of costly and restrictive inpatient care.

Model of care is evidence-based and built around a compassionate, individualized approach that helps families live happier, healthier, more independent lives.

Coordinates care for youth in treatment facilities, their homes or other community settings through Wraparound programs

30+ YEARS experience supporting Children's Behavioral Health

Discussion on children with complex mental health needs

Candice Broce,
*Commissioner, GA Department of
Human Services and Director, Division
of Family & Children's Services*

Grant Thomas,
*Director of Health Strategy and
Coordination, Office of Governor
Brian P. Kemp*
