

The eMbrace digital experience

Magellan Healthcare's member website empowers your employees to take an active role in managing their wellbeing. Not only does it give your employees access to industry-leading and clinically-validated services, tools and resources, it is a personalized, dynamic experience that aligns with your employees' needs and interactions.

Key features

- ✓ **Gallup® Wellbeing Survey**—Results include a total wellbeing score and one for each of the six essential elements. Score results inform personalized recommendations for next steps to improve wellbeing in each area.
- ✓ **Dashboard**—An activity snapshot on the homepage includes saved programs and articles, upcoming webinars, trending news and personalized plan recommendations.
- ✓ **Centralized access**—Members can connect to coaching, counseling, digital tools, life enrichment resources and all program benefits in one place.
- ✓ **Provider search**—Matching tools help members find the care they need with just a few keystrokes.
- ✓ **Robust resources**—Clinically validated articles, videos, self-assessments and webinars on a wide range of topics from anxiety to zones of productivity.
- ✓ **Live chat**—Direct support for members when and where they need it.

Magellan's state-of-the art digital experience combines the latest Gallup® science, artificial intelligence and curated resources to connect your employees with the right eMbrace services at the right time.
